

PRESENTS  
**“BUILDING STRENGTH WITH UV GELS”  
BALANCE WORKSHOP**

COME AND SEE THE LATEST TECHNOLOGY AVAILABLE IN UV GEL NAILS!

A one -step gel system that will give you the opportunity to offer your clients gel nail enhancements that will  
Outlast all others in adhesion, strength, and durability.

Learn how to create the perfect smile line and how to perfect your pink and white backfill!

Balance is the newest chemistry in gel enhancements. Gel nails are completely odor free, and are a great alternative to  
acrylics in your salon. Eliminate those frustrating fill lines and learn time saving techniques to allow you  
to do a full set in less time!
